Railway/ Walking from City

Our offices are easily accessible by train into Flinders Street station. Take the foot bridge across the Yarra River and walk straight through between the Esso Building and the Langham Hotel. Keep walking past the roundabout (joining with Riverside Quay) and down (on the left hand side of Southgate Avenue) to the pedestrian crossing. Standing at the crossing (you are now on City Road) you will see our building directly in front of you.

Car Parking

Parking may be available below our building and if you wish, you can phone us on the day and ask if a car park is available. Additional parking is available on Southgate Avenue at the Wilson Parking Eureka Car Park. Alternatively you may wish to try on road meter parking, walking distance away in and around Kavanagh Street. Please see the map below for these streets. The circled area shows where our building is.

Remember, most parking along City Road becomes a TOW AWAY Zone at 3.30 p.m. SHARP.

If you get lost, please don't hesitate to call our office for guidance.
